DealUp – Buy & Sell Locally with Ease

DealUp makes it easy to buy and sell items locally with just a few taps. Whether you're looking to sell something you no longer need or want to discover great deals nearby, here's how it works:

1. Getting Started

- **Download the App** – Available on Google Play and the App Store.
- **Sign Up or Log In** – Create an account using your email, phone number, or social media.
- **Set Up Your Profile** – Add a profile picture and basic info for better credibility.

2. Selling on DealUp – Post an Ad in Minutes

1. Click “Create Listing” – Tap the button to start a new listing.
2. Add Photos – Upload clear, high-quality images of your item.
3. Write a Title & Description – Include important details like condition, price, and location.
4. Choose a Category – Select the most relevant category (Electronics, Cars, Furniture, etc.).
5. Set Your Price – Choose a fixed price or mark it as negotiable.
6. Publish Your Ad – Once reviewed, your ad goes live!

3. Buying on DealUp – Find the Best Deals

- **Search or Browse** – Use the search bar or explore categories.
- **Filter Results** – Sort by price, location, or item condition.
- **Contact the Seller** – Chat directly with sellers in the app.
- **Meet & Make the Deal** – Agree on a location to view and purchase the item safely.

4. Safe & Secure Transactions

We care about your safety! Follow these safety tips:

- Meet in **public, well-lit areas**.
- **Inspect items before paying**.
- Use **secure payment methods** – never pay before meeting the seller.
- Report any suspicious activity using the app’s **report feature**.

Start Buying & Selling Today!

Download **DealUp** now and join a growing community of smart local buyers and sellers.
