

User Guide for Deal Up

Welcome to our online marketplace! This guide will walk you through the essential features of our website, helping you buy and sell items easily.

1. Homepage & Navigation

When you enter the website, you will land on the **Homepage & Navigation**. Here, you can navigate to different sections of the site, such as browsing listings, searching for items, or logging into your profile. Although you can browse listings you cannot make them in this stage, for that you will need to **Sign Up** or if you already have an account **Log In**.

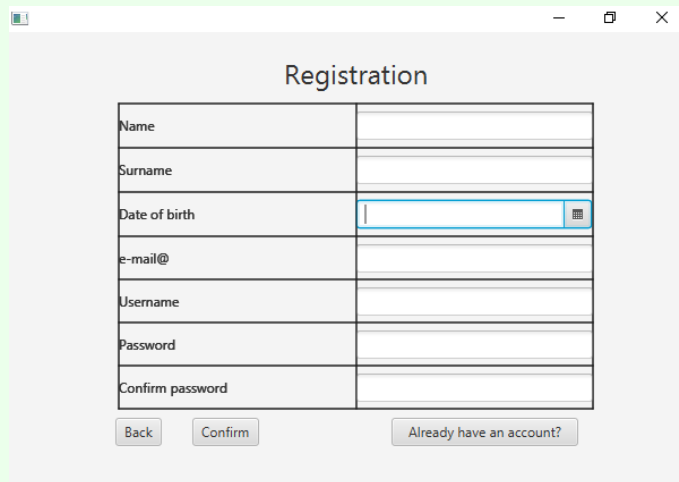

2. User Account & Login

To list items for sale or manage your profile, you must log in. Click on **Log in** and enter your credentials.

The image shows a 'Log In' form. It has a title 'Log In' at the top. Below it are two input fields: 'Username' and 'Password'. The 'Password' field has a placeholder text 'Enter your password'. Below the input fields are three buttons: 'Log In', 'Don't own an account?', and 'Back'.

If you don't have an account yet, click on **Sign up** and follow the instructions to register for a new one.

A screenshot of a web browser window titled "Registration". The window contains a form with the following fields: Name, Surname, Date of birth (with a calendar icon), e-mail@, Username, Password, and Confirm password. At the bottom of the form are three buttons: "Back", "Confirm", and "Already have an account?".

Date of birth	<input type="text" value=""/>
e-mail@	<input type="text"/>
Username	<input type="text"/>
Password	<input type="password"/>
Confirm password	<input type="password"/>

2. Browsing Listings

Once logged in you can browse all posted advertisements from various sellers.

Searching for Specific Items

If you're looking for a particular item, use the **Search** feature. This allows you to find relevant listings quickly.

Sorting & Filtering

To narrow down your search results, use the **Sorting/filter** option. You can sort by price, date posted, category, or other available filters.
