User Guide for Deal Up

Welcome to our online marketplace! This guide will walk you through the essential features of our website, helping you buy and sell items easily.

1. Homepage & Navigation

When you enter the website, you will land on the Sākuma lapa + Navigācija (Homepage & Navigation). Here, you can navigate to different sections of the site, such as browsing listings, searching for items, or logging into your profile.

2. Browsing Listings

Click on Sludinājumi (**Listings**) to see available items for sale. You can browse all posted advertisements from various sellers.
Searching for Specific Items
If you're looking for a particular item, use the Meklēšana (**Search**) feature. This allows you to find relevant listings quickly.
Sorting & Filtering
To narrow down your search results, use the Sorting/filter option. You can sort by price, date posted, category, or other available filters.

3. User Account & Login

To list items for sale or manage your profile, you must log in. Click on Log in and enter your credentials.
If you don't have an account yet, follow the instructions to register a new one.

4. Managing Your Profile

Once logged in, navigate to Mans profils (My Profile) to manage your account settings, view your posted ads, and create new listings.
Viewing Your Listings
Under Savi izliktie sludinājumi (My Listings), you can see all the items you have posted for sale. You can edit or remove listings from this section.
Creating a New Listing
To post an item for sale, go to Izveidot sludinājumu (Create Listing). Fill in the

details such as title, description, price, category, and upload images. Once submitted, your listing will be visible to potential buyers.

5. Final Tips

1. Always provide accurate descriptions and images for your items.
2. Use filters to quickly find what you're looking for.
3. Regularly check your profile for buyer messages and manage your listings.
4. Log out after using a shared computer for security.
5. Enjoy buying and selling on our marketplace!
